

Site Rules and Booking Conditions

Wicklow Way Camping is a small, quiet campsite for couples, singles and families. The safety and enjoyment of the people staying at our campsite is paramount and therefore we request you read and agree to the following rules before booking.

We reserve the right to ask anyone staying on or visiting the campsite who contravenes these rules or behaves in a way that causes a nuisance or distress to others to leave the campsite immediately, ceasing the reservation (we shall not be liable for any extra costs incurred by you). All bookings are dependent on customers' signed agreement of these conditions:

Bookings and Arrival

We reserve the right to refuse any booking and we do not accept bookings from all parties of three or more adults, or groups of young people without a responsible adult (under 21 years of age).

Guests' arrival must be after 2pm and before 9pm (please phone if you are arriving after 6pm). Pitch occupation before 2pm is not possible. All pitches must be vacated before 12pm on the day of departure.

New arrivals should park in the car park at Reception on arrival to report to staff before occupying a pitch, this is also when pitch fees (or remaining pitches if a deposit has been paid) must be paid. Cash is acceptable and debit/credit card payments are allowed for payments over €20.00. In-person payments must be verified by pin or contactless. **We regret that we are unable to take any payment by cheque.**

Bookings and the selection of particular pitches are subject to availability. Seven days will be allowed between enquiry and the return of the booking form with the appropriate deposit. If your form and deposit are not received, do not assume a booking is still available. (I thought these bookings were online what is a booking Form) We are unable to guarantee a specific pitch but will make every effort to fulfil reasonable requests. All one night bookings must be paid for in full at time of booking.

Behaviour Standards

All people who stay at the campsite or visit must act in a courteous and considerate manner towards staff and other guests.

Children must be supervised properly so that they do not cause a nuisance or endanger themselves or others.

Children should not play in or around the cabin. Young children, particularly those under 6 must be accompanied by a responsible adult while in and around the cabin or road. Children must be supervised at all times by a suitable adult and at no time be left on the site unaccompanied. The supervising adult will be responsible for the child's actions and thus liable for any damage caused by them.

Guests and visitors must not commit any acts of vandalism or nuisance or create any undue noise or disturbance (any persons found vandalising Wicklow Way Camping property will be prosecuted). Playing of loud music is not allowed, if the people on the pitch next to you can hear it, then it is too loud.

We expect guests to keep noise to an absolute minimum between 10.30pm and 8am.

Day Visitors

All visitors to Wicklow Way Camping are expected to observe the rules. Friends are allowed to visit by prior arrangement only and are allowed on site between 9 am and 10 pm. A small charge is payable for such visitors.
